## BODY ESSENTIALS®

### SEPTEMBER "SPRING CLEANING" SPECIALS SEPTEMBER "SPRING CLEANING" SPECIALS

Here is the list of essential oil specials for September. This sale is current *until September 30<sup>th</sup> or while stocks last*. I have divided the essential oils into 3 price categories: 7.50, 10.50 and 15.00 Some of these oils are normally over 30.00 ... but I am 'Spring Cleaning'.

To help you chose, I have summarised the energetic actions of the oils. This means that you can benefit from the oil by diffusing it, putting a drop or so directly on the body, or taking a full body or even a foot bath with a few drops of the oil. Since you will know the key actions of each essential oil – you can make up and set your own prayer and affirmation before you 'treat' yourself.

Blessings to you!
