

## Aromatherapy Basics & Beyond *"A Journey Through the Chakras"*

with  
Carol Anne Asher

May 8 & 9, 2010

Location: Balwyn Community Centre

412 Whitehorse Road, Surrey Hills, 3127

Cost: \$425 including a kit of 15 essential oils

14 CPT points

In this 2-day workshop you will discover a new and exciting way of using essential oils with a focus on their energetic and vibrational qualities and their use for, impact on and relevant therapeutic significance for the physical, emotional, mental and spiritual levels of being.

With further support of vibrational remedies, such as the One Heart flower essences and flower mandalas, we will experience the essential oils and their healing qualities, so that the workshop is not only educational and applicable for any healing practice, but also an opportunity for personal healing and growth.

Carol Anne Asher BA (Hon) is the creator of the One Heart Flower Essence System and Essential Oils and owner/manager of One Heart Body Essentials. She specialises in creating vibrational remedies for healing and personal transformation and teaches nationally and internationally.
